The CAVRA Team have been carrying out visual patrols along the coast and rivers throughout Cardiff and the Vale of Glamorgan areas.

A team of 2 Swift Water Rescue Technicians were in the vehicle, with other team members “On-Call” if required.

There are 7 team members qualified as Swift Water Rescue Technicians (SRT’s), with 3 trained as Swift Water Rescue Boat Operators (SFRBO’s), and 3 trained in Rescue from Vehicles (RfV).

Thanks to grants from: Maxfire Ltd, Future Safety Ltd, and Western Power Distribution we were able to carry out these much needed safety patrols.
